HARVEST HILLS

FALL 2026 • NEIGHBORHOOD NEWS

Hello, neighbors! As summer winds down, here are a few Harvest Hills updates and reminders for the season ahead.

Murray Trail Update

Twenty new trees have been planted along Murray Trail as part of continued improvements to neighborhood common areas. The Board is monitoring the new plantings and working with our landscaping provider on any needed adjustments as the trees become established.

Planning an Outdoor Project?

Before starting a fence, shed, play structure, major landscaping project, patio or other exterior improvement, please check whether HOA approval is required. Requests can be submitted through the Harvest Hills HOA website.

Enjoying the Trails

- Please clean up after pets and keep them appropriately controlled.
- Share the trail courteously with walkers, runners, bikes and scooters.
- Help keep common areas free of trash and debris.

Fall Around Harvest Hills

We look forward to adding a little seasonal color to the neighborhood entrance again this fall. Keep an eye out as pumpkins, hay bales and other autumn touches return!
